Student Complaints and Appeals Policy & Procedure

1.0 Purpose

1.1 The purpose of this procedure is to define the system available to students for dealing with student complaints and appeals.

2.0 Responsibility

2.1 The Administration Manager is responsible for implementation of this procedure and ensuring that staff and students are made aware of its application.

3.0 Requirements

3.1 This procedure is designed to enable complaints to be made and resolved involving any or all of:
   • the RTO, its trainers, assessors or other staff;
   • a third party providing services on the RTO’s behalf, its trainers, assessors or other staff; or
   • a learner of the RTO.

3.2 Students who are concerned about the conduct of the College are encouraged to attempt to resolve their concerns using this procedure.

3.3 The procedure will be implemented at no cost to the student.

3.4 The procedure will commence within 5 working days of the formal lodgement of the complaint or appeal and supporting information.

3.5 Where the RTO considers more than 60 calendar days are required to process and finalise the complaint or appeal, the RTO:
   • Informs the complainant or appellant in writing, including reasons why more than 60 calendar days are required; and
   • Regularly updates the complainant or appellant on the progress of the matter.

3.6 All prospective students will be provided with information about the complaints and appeals procedure before making an agreement to enrol.

3.7 All complaints and appeals will be handled professionally and confidentially in order to achieve a satisfactory resolution that is fair and equitable to all parties.

3.8 Students will be provided with details of external authorities they may approach, if required.

3.9 At any stage in the complaint or appeal process students are entitled to have their own nominee included to accompany and support them.

3.10 Students may raise any matters of concern relating to training delivery and assessment, the quality of the teaching, student amenities, discrimination, sexual harassment and other issues that may arise.

3.11 For complaints and appeals:
   • The student will have an opportunity to formally present their case, in writing or in person at no cost to the student
   • The student may be accompanied and assisted by a support person at any relevant meetings.
   • Students will be notified in the event that any complaint or appeal will take longer than 60 days to finalise.
   • At the conclusion of the complaint or appeal the student will be given a written statement of the outcome, including details of the reasons for the outcome and the record of the complaint and outcome will be placed in the student file.

3.12 A student’s enrolment will normally be maintained whilst a complaint or appeal is in progress and the outcome has not been determined except in cases where the College is intending to cancel a student’s enrolment.
3.13 The College will encourage the parties to approach a complaint with an open view and to attempt to resolve problems through discussion and conciliation. Where a complaint cannot be resolved through discussion and conciliation, we acknowledge the need for an appropriate external and independent agent to review the process implemented by the College.

3.14 If there is any matter arising from a student informal complaint, formal complaint or appeal that is a systemic issue which requires improvement action this will be reported in writing (via email to the Chief Executive Officer) to the Continuous Improvement Group meeting so the matter can be recorded in the College Complaints Register and be used as part of the continuous improvement activities of the College.

3.15 Nothing in this procedure inhibits student’s rights to pursue other legal remedies. Students are entitled to resolve any dispute by exercising their rights to other legal remedies. Students wishing to take this course of action are advised to:-

- Contact a solicitor; or-
- Contact the Legal Aid NSW on 1300 888 529 for information about your legal problem and contact details for services that might be able to assist you..

5.10 Formal complaints must be lodged using the Student complaint form which can be requested from the Administration Manager.

5.11 Formal complaints must be recorded in the student’s files

Formal Complaint Process - details

5.12 Students who are not satisfied with the outcome of the informal process, or, who want to register a formal complaint may do so at any time by:
   • Obtaining a copy of the Student complaint form which can be requested from the Administration Manager;

Whoever does hear the complaint must not be the subject of the complaint and cannot be involved in subsequent appeal hearing. In the event that the Director of Studies, the Administration Manager and the Chief Executive Officer are not eligible to hear the complaint then the complaint must be directed to an external person at no cost to the student.

5.16 The external person to hear a student complaint on behalf of a student is to be engaged from the Law Society of New South Wales (for domestic students) phone (02) 9926 0333.

• Advise the student to take the complaint to appeal if a resolution cannot be agreed upon

Formal Complaint Process – finalisation

5.18 At the end of the resolution phase the Administration Manager will report the College decision in writing to the student within 5 working days. The College decision and reasons for the decision will be documented by the Administration Manager and placed in the students file. A copy of this document will be provided to the student.

5.19 Following the resolution phase the College will implement the decision as conveyed to the student and undertake any improvement actions arising from the complaint.

5.20 If there is any matter arising from a student formal complaint that is a systemic issue which requires improvement action this will be reported, by the Administration Manager, in writing (via email to the Chief Executive Officer) to the Continuous Improvement Group so the matter can be recorded in the College Complaints Register and be used as part of the continuous improvement activities of the College.

5.21 Students who are not satisfied with the outcome of the formal complaint are encouraged to appeal against the College decision by:
  • Obtaining a copy of the Student appeal form which can be obtained from the Administration Manager;
  • Completing the Student appeal form;
  • Lodging the Student appeal form with the Administration Manager.

5.22 Once the Student appeal form is lodged with the Administration Manager it will be dealt with as described in the Internal Appeal Process below.

Internal Appeal Process – preamble

5.23 Internal appeals may arise from a number of sources including appeals against assessment, appeals against discipline actions, and appeals against decisions arising from complaints. The essential nature of an appeal is that it is a request by a student to reconsider a decision made by the College.

5.24 Students who are not satisfied with the outcome of a formal complaint or wish to appeal a decision made by the College are encouraged to appeal against the decision by:
  • Obtaining a copy of the Student appeal form which can be found in the student handbook or be requested from the reception desk, the Administration Manager or the Director of Studies
  • Completing the Student appeal form
  • Lodging the Student appeal form with the Administration Manager or the Director of Studies

5.25 A student’s enrolment will be maintained whilst an appeal is in progress and the outcome has not been determined.

5.26 The appeal resolution phase must commence within 5 working days of the internal appeal being lodged in writing.

5.27 A maximum time of 10 working days from the commencement of the appeal resolution phase will be allowed for the appeal resolution unless all parties agree in writing to extend this time.

Internal Appeal Process – general

5.28 Internal appeals (except assessment appeals) will be heard by a 3 person Appeals Panel selected from the College Chief Executive Officer, the Director of Studies, compliance and educational consultants, and members of the teaching staff of the College (the Appeals Panel). No member of the Appeals Panel is to have been directly involved in the complaint leading up to the appeal.

5.29 The role of the Appeal Panel is to:
  • Ensure the appeal phase commences within 5 working days of the written appeal being lodged
  • Provide the student, or the students representative, with an opportunity to present their appeal to the Appeal Panel
• Ensure they fully understand the students appeal
• Review the evidence and information provided by the student, or the students representative, and the College
• Make an independent decision, based on the evidence to either support the students appeal, and reverse the decision by the College that lead to the appeal or to support the College case and proceed with the original decision.
• Arrange for the decision to be signed off by the student and the Chief Executive Officer (this is not agreement by the student but to record that the decision has been transmitted to the student)
• Within 24 hours of making its decision the Appeal Panel must have formally documented the decision of the panel including reasons for the decision and convey the written decision and reasons for the decision to the student

Internal Appeal Process - assessment
5.30 Students appealing an assessment decision (including RPL) will be given the opportunity for reassessment by a different assessor selected by the College. Costs of reassessment will met by the College.
5.31 The recorded outcome from the assessment appeal will be the most favourable result for the student from either the original assessment or the reassessment.
5.32 Only one assessment appeal will be allowed.

Internal Appeal Process – finalisation
5.33 The outcome of an internal appeal and reasons for the outcome will be recorded in writing and signed and dated by the student and the College and placed in the student file. A copy of this document will be provided to the student.
5.34 Following the internal appeals phase the College will implement the decision as conveyed to the student and undertake any improvement actions arising from the complaint through the College continuous improvement process
5.35 If there is any matter arising from a student informal complaint, formal complaint or appeal that is a systemic issue which requires improvement action this will be reported in writing (via email to the Chief Executive Officer) to the College Continuous Improvement Group so the matter can be recorded in the College Complaints Register and be used as part of the continuous improvement activities of the College.
5.36 There are no further avenues within the College for complaints or appeals after the internal appeals process has been completed, however an external appeals process is available
5.37 Students who are not satisfied with the process undertaken for an internal appeal are encouraged to make an external appeal by:
• Obtaining a copy of the Student appeal form which can be found in the student handbook or be requested from the reception desk or the Director of Studies
• Completing the Student appeal form and selecting the External appeal option on the form.
• Lodging the Student appeal form with the Director of Studies
5.38 Once the Student appeal form is lodged with the Director of Studies it will be dealt with as described in the External Appeal Process below.

External Appeal Process
5.39 Students who are not satisfied with the process undertaken for an internal appeal are encouraged to make an external appeal by:
• Obtaining a copy of the Student appeal form which can be found in the student handbook or be requested from the reception desk or the Director of Studies
• Completing the Student appeal form and selecting the External appeal option on the form.
• Lodging the Student appeal form with Director of Studies
5.40 The purpose of the external appeals process is to consider whether the College has followed its student complaint and appeals procedure, not to make a decision in place of the College. For example, if a student appeals against his or her subject results and goes through the College internal appeals process, the external appeals process (if accessed) would look at the way in which the internal appeal was conducted; it would not make a determination as to what the subject result should be.

5.41 For external appeals the independent mediator will be the Law Society of New South Wales phone (02) 9926 0333. The cost of mediation is to be shared equally between the parties involved in mediation.

5.42 The external appeals procedure will be determined by the Law Society of New South Wales.

5.43 Following the receipt of the outcome of the external appeal the College must immediately implement the decision, convey the outcome to the student, place a copy of the documentation on the student file and undertake any improvement actions arising from the complaint.
